*Thank You!*

Thank you for your consideration in partnering with us for our 19<sup>th</sup> Annual Trap Shoot. Proceeds from this year's event will be used to purchase fetal non-stress test equipment for our Beaver Dam and Sun Prairie clinics. When a soon to be mom is in need of fetal monitoring, having to travel to the hospital for care is the last thing she wants to do. Adding these monitoring systems to the auxiliary clinics increases maternal and baby safety, improves patient satisfaction and increases access to healthcare. When it comes to obstetrics care, having state of the art and accessible equipment truly saves lives.

*Thank you for your support!*
